Dear Sir/Madam:

On March 7th and 11th we employed your company to move us from Lockwood Folly Golf Community to Calabash, NC. I would like to take this opportunity to express the gratitude Bob and I feel for the unsurpassed professional attitude shown by the young men with whom we worked.

This experience was most stressful, but was made so much easier by your office staff, Bill and the men who did our moving, Eric, Bobby, Chris and Derek. These four young men worked non-stop and did everything possible to make this as pleasant and easy a time as possible. We enjoyed their personalities and their work ethics were impeccable.

We thank your whole staff for all that they did for us. We would highly recommend your company without hesitation. If we should ever have to move again, we would most assuredly use Premium Moving, and we would request that we have Eric, Bobby, Chris and Derek.

With much gratitude

Sincerely,

Maggie Hanes
