Hi Sarah,

It was such a pleasure to meet and speak with you today. Your friendliness and good will are what I have to expect from the people in North Carolina. You gave me information that no one else would take the time to do. I can't tell you how delighted I was. It is no wonder that many people in Southport have given your company a good name.

I will be in touch within the month with a fairly comprehensive list that I will be moving, but I just wanted to drop you a quick thank you.

When we discussed a \$10,000 estimate were you including the 3 person hot tub that we had discussed earlier? We had gotten off that subject so I am not sure. Let me know when you have time.

Thank you,
Diane Plant
