To whom it may concern:

On May 17, 2012 we hired Premium to move some furnishings to our storage bin in Calabash, from our home on [REDACTED], Calabash, NC.

We cannot tell you how satisfied we were with Premium, and especially with the two men (Dave & Chris Z) that you sent to do the job. They were gentlemen and very efficient. A credit to your company.

Chris & Dave may still remember our storage and what was in it, at some point we would like it all brought North to Fountainville, PA. I was hoping they could give you an idea of our storage items, in order for you to quote us on moving everything. We would not be in a rush, so as to wait for an empty van coming our way.

Best regards,

Richard Muttie
