Ron and Judy,
You did a great job raising that son Jason! And hiring David.
Just to let you know that I was very impressed with their work ethic and the connection they make with a customer.
I hope we don't have to move for a long time, but when that day arrives, I'll definitely call Premium!

ps on Monday, when they move the piano, could you ask that they call me on cell when they leave Wilmington or are about 1/2 hour out or so? We were just notified that our closing will in all likelihood take place Monday a.m. (you know banks), so I can sign all the documents and leave and meet them in St. James; I don't want them having to wait for me. Thx... [REDACTED]
