

Dear Judy -

Thanks so much for assisting
with our recent move to 5C.
Your team is fabulous. They
are tireless and efficient
and treat every object with
the utmost care. Jeff and Kyle
did a great job getting us
moved into our new town home.
Up winding stairs with a landing!
We appreciate you so much
and hope we never have to
move again. How do you guys
do it every day?

...for being so nice!

All the best,

Dennis & Susan Berg
